

A message from our Principal

Dear Parents & Carers,

We have had a busy fortnight with our Pre Primary team commencing the On Entry assessment for our students and our Year 5/6 students preparing for our first assembly. We do have some building projects that are due to start shortly; these include the placement of lighting on Leatherback oval and the completion of stage 2 of our early childhood tree house playground.

Our students have settled back into school routines really well and Mr Allbury and myself have seen some great work being produced around the classes. Well done everyone!

NetSetGo after school sports program is well on its way with a very interested group of students learning a range of ball and game skills. The students are really enjoying this program and we hope that we will be able to find some parent coaches to maintain this program at Alkimos Beach over the coming years.

Our AGM and first P&C meeting for 2018 is set for Tuesday 27th February and nominations for positions on the P&C close on the 26th February. We would love to see some new faces as the P&C serves an important role with fundraising for the purchase of equipment for the school. In 2017 the P&C assisted the school to purchase a number of items such as our marques for faction carnival. If you are interested in joining our P&C team, we will be meeting in the conference room at the front of the school at 7.30pm.

Have a great fortnight!

Dear Parents and Guardians,

Welcome back to Term 1!

I would just like to give a gentle reminder to please ensure your child **brings their water bottle on the day they have sport** – especially throughout these hot summer months.

Many thanks,

Aimee Hearne
Health & Physical Education teacher
