## A message from our Principal

I hope everyone had a fantastic long weekend and enjoyed WA Day. We are really lucky to live in such a great place as Western Australia and WA Day is a great day to celebrate all Western Australians, recognising our Aboriginal history, early European settlers and the many people from all over the world who have made, and continue to make, Western Australia their home.

Winter has certainly arrived this week with some pretty consistent rain and cooler temperatures. It is great to see the majority of our students in the winter school uniform. We do have some lost windcheaters that have come to the office and have not been labelled, which makes it very difficult to return them to their owners. Parents can you please make sure that your child's clothing is labelled so that it can be returned if it is misplaced.

We have had Better Beginnings (Clarkson Library) attend our Kindy classes along with St John's First Aid providing an incursion for our PP- Year 6 students. I would like to thank Miss Hearne and Mr Allbury for organising these events for our students and I know that they certainly got a lot out of these incursions.

We are currently taking enrolments for Kindergarten in 2019. Applications for Kindy close on the 20<sup>th</sup> July (end of week 1 Term 3). If you wish to enrol your child, please ensure that you have completed the application by this date to avoid disappointment. If you do know of anyone else that lives locally who does not have children at the school, it would be appreciated if you could pass this information on to them.

Staff had a very busy and productive school development day last Friday looking at all elements of literacy with a strong focus on narrative writing. We also were able to have Professor Paul Swan attend and present a session for staff on Mathematics, which proved to be highly informative and provided staff with some great ideas and resources.

Have a great fortnight everyone!

Principal

## WESTERN AUSTRALIA DAY-ENERGY EFFICIENT HOUSES

Western Australia Day is a day to reflect and celebrate all the great things about our people, our lifestyle, our culture and our potential.

Montebello-Room 3 have embraced this notion and made smart houses by incorporating energy-efficient features and recycled materials.

You are welcome to view our display in the library from 8.00am week days.

## Understanding, Tolerance and Inclusion

**Meaning:** Welcome different opinions or behaviours that one does not necessarily agree with.

**Synonyms:** allow, involve, embrace, patience, resilience

You are practising **TOLERANCE AND INCLUSION** when you:

1. Treat people in a way they wish to be treated.
2. Welcome ideas that are different from your own, It can also make work more interesting, engaging, and fun.
3. Strive to improve. Be willing to learn, accept feedback, and listen to the concerns of those around you.
4. Are culturally aware. Take the time to learn about different cultures, races, religions and backgrounds.

## SEMESTER ONE REPORTS

**SCHOOL  
REPORTS**

**SCHOOL  
REPORTS**

The Semester One reports will be emailed and published directly to you through Connect on Wednesday 27th June 2018. Connect has been implemented in our school as one of our main forms of communication. Connect is an integrated online environment developed by the Department of Education WA for staff, students and parents in public schools.

### How will parents access Connect?

You should have received your own secure login to Connect upon enrolment via email. Connect is totally free and, because it is provided by the Department of Education, very safe. As well as being able to login to Connect on any internet-enabled device, you may also receive notices from Connect that will be sent to you as either an email or a notification on your phone.

A free app called Connect Now can be downloaded from Google Play or the Apple App Store and will let you receive Connect notices as push notifications.

### What is the benefit of an E Report?

- The ability to easily reprint and forward copies of reports.
- Parents being able to retain a digital record of student achievement.

A link will be emailed to parents, please ensure you save your child's report or access their report through Connect. As the link to access the school reports is only live for four weeks, please ensure you download the report then save it or print out a hardcopy—even better, do both!

If you have not provided the school with an up to date email address or have had issues with logging into Connect, please return the below slip by Wednesday 13th June 2018 to your child's classroom teacher.

Please check your Junk mail box on **Wednesday 27th June**.
