Due to the swimming times allocated to us, students will be getting changed back into their school uniforms at the pool. Please ensure ALL items are labeled with your child's name. Recess/Lunch times will be altered during this period to ensure all students have enough time to eat their food.

Please ensure students are already wearing their bathers, with their school uniform over the top. If they have full piece bathers, they will need to get changed before leaving for the pool. ***Please mark all clothing and towels clearly with at least your child's surname.*** Please note that students with long hair **must** have it tied back.

Students need to bring the following to school:

- Towel
- Thongs (Flip Flops) – worn to the pool (normal shoes for during the day)
- Bag to store items

The cost of swimming lessons this year will be **\$48 per student**. *As we need to confirm numbers with the swimming pool it is necessary for payment and permission forms returned by Friday 5th July.* Please return the completed forms into the drop box in Administration.

HBF Arena (Joondalup) wishes the school to advise parents there is a \$2.60 spectator fee for parents wishing to watch their children swim is payable upon entry of the pool.

Kind Regards
