A message from our Principal

Dear Parents and Carers,

It is hard to believe that we are almost half way through the school year. Staff have been very busy with writing student reports and these will be sent out via Connect on Wednesday 3rd July.

A big thank you to the P&C for their organisation of our lap-a-thon. The students and staff had a great time and certainly enjoyed the event. The P&C are now collecting Lap-a-thon monies. All monies can be placed into the P&C post box in the front office by the 14th June. Prizes will be awarded to the student with the highest donations in each year level. We were also fortunate to have Jump Rope for Heart people in on the same day. They provided the students with an assortment of healthy snacks as part of their way of thanking the students for their donations to their cause in 2018.

Congratulations to our new 2019 School Board members. Voting closed yesterday and I am pleased to announce the results of our election. Our new two year tenure Board member is Susy Stewart and our two, one year tenure representatives are Mel Taylor Hanks and Debbie Giles. Thank you to everyone that took the time to vote for our new board members, I'm sure that they will represent our school community superbly.

We do have a number of sporting events happening over the next few weeks. Winter Carnival is being held on the 21st June with our senior students competing in soccer and netball. We also have our cross country happening on the 5th July. Further information will be sent out in regards to this event.

The Northern Bright Stars challenge is on again this year and will be hosted at Alkimos Beach Primary School. Teams from St James and Northshore Christian College will compete with our students in a variety of challenges ranging from literacy to technology. We were the inaugural winners in 2018 and are sure that the senior students that have been selected for this event will do us proud.

With winter arriving, parking can become more difficult with less students walking to school. I would ask parents to have patience and be mindful of students exiting and entering vehicles. A number of parents have been parking on the lawn area near the early childhood classrooms, please avoid doing this as it is causing damage to sprinklers and reticulation piping which is having a cost impact on the school.

Have a great week everyone!

2020 KINDY ENROLMENTS

We have commenced enrolments for the 2020 Kindergarten Program. Please visit the Alkimos Beach Primary School website <http://www.alkimosbeachps.wa.edu.au/parents-students/enrolments/> for information on the enrolment process and the documentation you will be required to provide. Please visit the office between 9.30am and 2.30pm to complete the initial application form. Applications need to be submitted by Friday 26th July.

CHANGES TO SCHOOL ENTRY AREAS

We are having some transportable buildings added to the school site. These will be placed on the current bitumen area closest to the Fairy Parade car park. Work on these will commence as of **Thursday 6-6-2019** and will affect access from the Fairy Parade car park. The gates that parents and students have been using will be closed until further notice due to workmen and machinery being present in this area. Parents and students will need to use the oval gates for entry into the school or alternatively use the front car parks and entrances.

Help Alkimos Beach Primary School win a share of \$17,000, with the Classroom Cash promotion! By simply collecting coupons in The West Australian, The Weekend West and The Sunday Times our school could win one of a number of large cash prizes. Coupons will appear in papers as of 25 May, up until 9 June, so get your scissors ready and get clipping!

WOOLWORTHS EARN AND LEARN

The more you earn, the more they learn

It's easy for Earn & Learn. Just get everyone you can earning as many stickers as possible. You can then redeem these stickers for your choice of over 10,000 different pieces of brand new equipment.

Anyone can help you Earn & Learn

Earn & Learn only runs for a limited time, so spread the word and get everyone helping you collect stickers. Ask parents, grandparents, staff, neighbours and friends.

We've helped thousands of schools get new equipment

Back in 2012, over 10,000 schools and Early Learning Centres earned over 300,000 pieces of brand new school equipment for kids all over Australia.

This year, we're proud to team up again to participate with Australia's biggest educational equipment for schools, Modern Teaching Aids. This means you'll have again have access to a huge range of new equipment. The catch of course is that you need as many stickers as possible, covering everything from K-12 school sports, music, drama, art and crafts and more.

It's easy for everyone to stick together

Between 1 May and 25 June 2019, collect as many stickers as you can!

Stick them on the sealed packets or sticker sheets. Don't forget, you can also download and print extra sticker sheets at teachingaids.com.au

This time, you just need to count them up and let us know how many you've got. But it's important that you hang on to your stickers until your new equipment arrives.

TRIPLE P SEMINARS – POSITIVE PARENTING IN A NUTSHELL IS THIS YOU?

Most of the time, parenting is fun. You know you are doing a good job. But there are times when things get a little tricky. Like when your toddler won't eat her dinner. Or your six year old won't pick up his toys. If only someone could give you some ideas to make those times easier! If this sounds like you, then a Triple P Seminar may be right for you.

WHAT ARE TRIPLE P SEMINARS?

Triple P Seminars are for groups of parents – as small as 2 to as large as 20. It's an informal presentation, a little like a public forum. There are three seminars in the Triple P series and you can choose to do one, two or all three:

- **The Power of Positive Parenting:** For every parent who ever wondered: "Why does my child do that?" This seminar helps you understand the reasons kids do what they do, so you can guide their behaviour – and see more of the behaviour you like, and less of the behaviour you don't like.
- **Raising Confident, Competent Children:** You can help your child become confident and successful – at school and beyond. Find out ways to encourage them to be respectful and considerate, communicate and get on well with others, feel good about themselves and become independent problem solvers
- **Raising Resilient Children:** How can you help your child manage their emotions so they cope well with disappointment and in stressful situations? Get the strategies that will allow them to recognise positive and negative emotions – and deal with them in a healthy way.

For more information on Triple P visit: <http://www.triplep-parenting.net.au/>, ask to speak to the School Psychologist: Nora Salah at Alkimos Beach Primary School or see the attachment at the back of this newsletter about the upcoming Triple P seminar series in August at Mullaloo Heights Primary.
