Week 2, Term 8 2019

A message from our Principal

Dear Parents & Carers,

Alkimos Beach Primary School has been the hub of activity this last fortnight with a number of events occurring. I would like to thank everyone who attended our Open Night this week, it was extremely pleasing to see so many people at this event. The feedback the school received about student work and the programs which we are running was exceptionally positive and students were very proud of their work.

Our Kindergarten students enjoyed a visit from “Farmer Mick”, which linked directly into their program of learning. The children enjoyed bottle feeding the lambs and learning about everything that happens on a farm. Through this incursion, students were immersed into oral language about farm animals.

Students in Year 3 participated in an incursion this week from Butler Fire Station. They were able to see and hear about the equipment in which fire fighters use as part of their job. Students loved dressing up as a fire fighter and using the fire hoses!

Students also participated in the Winter Carnival, it is pleasing to hear reports that all students were well behaved and showed good sportsmanship! It is these attribute that make our school a fantastic one!

You may have noticed, our next set of transportable classrooms have arrived on site today! This is very exciting for the school as it means we are continuing to welcome new families to the school community.

Finally, I would like to remind everyone that next Friday 28th June is a Staff Development Day; this means students will be having a long weekend! Staff will be working collaboratively with schools within our network at Edith Cowan University focusing on integration of technology within our classrooms.

Michelle Wellsteed
Principal

2020 KINDY ENROLMENTS

We have commenced enrolments for the 2020 Kindergarten Program. Please visit the Alkimos Beach Primary School website <http://www.alkimosbeachps.wa.edu.au/parents-students/enrolments/> for information on the enrolment process and the documentation you will be required to provide. Please visit the office between 9.30am and 2.30pm to complete the initial application form. Applications need to be submitted by Friday 26th July.

FARMYARD ON WHEELS

Students in Kindergarten attended an in-school program with 'Farmyard on Wheels' on Tuesday 18th June and Friday 21st June. The purpose of the incursion was to support the Kindy teaching program. The students in Kindy A, B, C, D and E are currently focusing on developing their understanding of farms and farmyard animals.

At the incursion the students participated in an educational talk about farm animals. Volunteers fed and held a variety of animals including chicks, lambs and kids (baby goats). Farmer 'Mick' introduced many of his favourite animals on the day including sheep, goats and miniature horses. The students were very excited on the day and the incursion provided a valuable learning experience for teachers to reflect upon with their students.

UP IN LIGHTS

SHARK BAY 3

The Year 2 have recently been writing stories onto their computers. They are writing stories from a prompt on the E-Board and changing the superhero, the villain and the plot slightly to make it their own story. They then video themselves reading and acting out their story, and then uploading it onto a QR code.

The students are also learning how to count money and tell the time. They are also trying to improve their multiplication and division, along with their knowledge of place value and finding the missing number in a number algorithm.

Miss Wilson-Taylor's students have settled in very well and enjoy her teaching.

-Joshua Burton and Tracy Beets

MONTEBELLO 1 ACTION!

The students of Montebello Islands 1 recently completed a Technologies research and construction project on Solar Ovens. Students researched the best way to construct a solar oven to harness solar thermal using household items. Here are some pictures from the project.

FIREFIGHTER INCURSION

The Year 3 students from Shark Bay Room(s) 1, 2 and 4 participated in a free incursion at Alkimos Beach PS on Thursday, 20 June conducted by The Department of Fire and Emergency Services. The purpose of the incursion was to provide opportunities for students to develop assertive behaviours and communication skills to respond to unsafe situations.

The students were able to view and interact with our Firefighters and Fire Trucks as well as participating in the following activities;

- The role of a firefighter
- How to prevent or stop a fire emergency from happening
- How to respond to a beeping smoke alarm
- Calling emergency services
- Crawling low under smoke
- Having a home fire escape plan

WINTER CARNIVAL – NETBALL/SOCCER

On Friday 21st June, Alkimos Beach Primary School participated in netball and soccer involving local schools from our sporting network. The soccer team played here at Leatherback Oval and our two netball teams competed at Butler College. Netball had many players voted best on court in their games. Congratulations on the B Team soccer champs!

The students thoroughly enjoyed the day and are to be congratulated on their exemplary behaviour.

SCHOOL VALUES

Meaning: The quality of being honest and having strong moral principles.

Synonyms: honesty, morality, honour, nobility, truthfulness, sincerity

You are practising INTEGRITY when you:

1. Keep your promises even if it takes extra effort.
2. Choose not to spread rumours or talk badly about someone.
3. Show respect to others with appropriate conversation and empathy.
4. Be responsible. Do what you say you will do.
5. Work together as a team to build trust.
6. Do not let someone else take the blame for something you did.

CHILDREN'S BEHAVIOUR – THE TOUGHEST PART OF PARENTING

Of all the things parents must do, dealing with children's behaviour can be the most stressful AND the most challenging!! Parent's having realistic expectations of misbehaviour is important.

Some misbehaviour you see in your child is normal and some discipline problems are going to happen regardless of what you do. Although, if we are able to manage everyday behaviour problems (like deliberately choosing not to follow our instructions, fighting with their siblings or other children and refusing to go to bed) when children are young, we can prevent more serious problems such as stealing, lying, getting into trouble at school and involvement with drugs when children are older.

Triple P (or Positive Parenting Program) is an approach to raising children that aims to promote children's development and manage children's behaviour and emotions in a positive and non-hurtful way. Attending the first seminar series called: *The Power of Positive Parenting* will provide parents with information on what things they can be doing at home, that aims to prevent, or at the very least, reduce how often your child misbehaved and how severe their misbehaviour is at home.

For more information on *Triple P* visit: <http://www.triplep-parenting.net.au/> or ask to speak to the School Psychologist: Nora Salah at Alkimos Beach Primary School about upcoming Triple P seminars coming up.

NEWS FROM THE CHAPLAIN - HOLIDAY FUN

A reminder that Belridge Secondary Education Support Centre is holding a Parent Information Morning Tea next Friday the 28th of June for parents/carers who may be interested in enrolling their child at Belridge SESC in 2020. We ask that you share the information flyer attached with parents and carers, to support them in making an informed choice regarding their child's transition to secondary schooling. The more informed and involved parents are in their child's preparation, the more likely it is that the transition will be positive and seamless.

It would be appreciated if you RSVP to assist with catering.

HAVE A GREAT WEEKEND !!

SHORE HAVEN

A NEW CLUB FOR KIDS LIVING IN SHOREHAVEN

KIDS CLUB

ARE YOU:

- Living in Shorehaven?
- Between the ages of 5-12?
- Looking for a fun local weekend activity?
- Wanting to get to know the other kids in the neighbourhood?

WHY NOT JOIN THE SHOREHAVEN KIDS CLUB!

The Shorehaven Kids Club provides a fun and informal opportunity for kids within Shorehaven to get to know each other, no matter what school they attend. It will take place twice every school term with a wide range of activities to suit different interests.
