Term 4, Week 8 2020

A message from our Principal

Dear Parents & Carers,

The year has flown past so quickly and it is nearly the end of the term. We do have a number of events happening over the next two weeks, including our annual Book Awards assembly and our Year 6 Graduation. As we are still operating under the Phase 4 COVID19 guidelines, we are only able to accommodate parents of students receiving awards or graduating. Parents of these students should have received their invitations and tickets by this afternoon.

We also have a special treat with an inaugural “Alkimos Beach Talent” show for students on the last Thursday of this term. This event is for students only and we will have a number of students who have auditioned for this presentation entertaining our students. A big thank you to Mr Long for organising this and I know that everyone will have a great deal of fun.

Our wonderful P&C are organising a Christmas raffle for the end of the year and have obtained some fantastic items for these raffles. The lucky recipients of these raffle prizes will be drawn from our random number generator and parents will be contacted if their family has been identified as a winner of a prize. I would like to thank all of our P&C volunteers for their efforts this year in what has been a challenging year for many. They have managed to put our community first and ensured that we have been able to support our community whilst providing us with the support to ensure that our students have not missed out on the many events that we would normally run each year.

We held our final School Board meeting for the year on Tuesday afternoon and I would like to thank all of the Board members for their support and input, particularly around the management of the COVID restrictions and the alterations that we have had to make.

School photos have been sent out today and from the proofs that I have seen, the photographers have done an amazing job.

Have a wonderful fortnight everyone!

Michelle Wellsted
Principal

SCHOOL VALUES

These are really important at the moment for all of our community. Resilience is the key for all of us to get through tough times. One of the critical values to remember is:

HONESTY and TRUST

Meaning: Belief in the reliability, truth, or ability of someone or something.

Synonyms: integrity, moral, reliable, responsible

You are practicing HONESTY AND TRUST when you:

1. Tell the truth.
2. Can be relied upon.
3. Are responsible for someone or something.
4. Allow someone to have, use, or look after someone or something of importance.
