Term 4, Week 9

A message from our Principal

Dear Parents & Carers,

What a terrific Book Award assembly we had this morning! It was great to see so many parents attend, and the students were really supportive of their classmates. It was lovely to chat to the many parents that stayed for our parent morning tea, and I would like to thank Mrs Murphy, Mrs Johnson, Mrs Beverland and Mrs Crayford for their support with organising this event.

Our awesome P&C has organised a fantastic raffle again just in time for Christmas. The raffle prizes are fantastic and will certainly help families out over Christmas. The Christmas raffle is now live, follow the link below to purchase tickets. Tickets will be available until Wednesday 14th December. Winners will be drawn at 2pm on the 14th and contacted to collect prizes Wednesday afternoon or Thursday. There are 11 hampers full of prizes to win; including vouchers for local businesses, adventure world tickets, and lots of art goodies to keep the children busy over the holidays!

We are now coming into the final week of school and students will be bring their books and work home on a daily basis. Please make sure that your child does empty their bag each afternoon so that they have room for more of their personal items as they will be sent home over the course of the week.

Next week will continue to be busy for us, with our Graduation ceremony for our Year 6 students on Wednesday the 14th and our much awaited Alkimos Beach PS has talent on the last day of term. The talent show is just for students and is something that our students look forward to all year. Mr Long has been organising this and I am sure it is going to be a lot of fun.

Also, just a reminder that if your child is not returning to ABPS, please let the office ladies know.

Have a wonderful Christmas and New Year, and I look forward to catching up with everyone in 2023!

Kind regards

Michelle Wellsted

Principal

Occupational Therapy Clinic for Children

Maximising School Participation and Performance

Are you worried about your child's school performance?

Does your child have any of the following difficulties?

- Poor drawing, colouring and/or cutting skills
- Messy or slow handwriting
- Delayed motor skills
- Doesn't enjoy kindy/school
- Can't keep up with work in class
- Teacher has concerns with child's learning or development

OT @ ECU may be able to help your child

At the beginning of each school year, Occupational Therapy at ECU run groups at the ECU Clinic Space, Level 2, ECU Health Centre in Wanneroo. These student run groups are currently **free of charge** and aim to improve school participation and performance for children who are in the early years of primary school.

PROGRAM STRUCTURE

Your child will be offered a screening assessment in late January 2023. This assessment will be conducted by experienced paediatric occupational therapists and lecturers. If required, your child will be offered intervention in a group setting during term 1 or term 2, 2022.

The clinic usually offers the following groups:

- 1) **Ready, Steady, School** is a school readiness group for kindy and pre-primary students. Typically these groups run once a week on Mondays from 9:30-10:30am.
- 2) **Ready, Steady, Succeed** is a group that aims to develop essential school skills for children in years 1, 2 and 3. Typically these groups run on Mondays five weeks from 2:30-3:30pm.

Each group runs for **1 hour per week for 5 weeks**.

HELPING ECU STUDENTS TO LEARN

Second-year ECU occupational therapy students work in the clinic with experienced clinicians. Participation in this program not only benefits you and your child, but also contributes to the education and experience of future Occupational Therapists.

IS MY CHILD ELIGIBLE FOR THIS SERVICE?

Your child is eligible if they are attending primary school in Western Australia in 2022 and are NOT registered or eligible to be registered with the NDIS.
