Friday 14th December

**WORLD OF MATHS
INCURSION
6TH & 7TH MARCH**

**PAYMENT/PERMISSIONS
MUST BE PAID ON
TUESDAY TO ENSURE
STUDENTS ARE ABLE TO
ATTEND**

A message from our Principal

Dear Parents & Carers,

Well we are nearly half way through the term and we have had a busy first few weeks. Our new student leadership team did a great job in presenting their election speeches and we were fortunate to have an educator from the electoral office provide the students with real life voting experiences. Our Student Councillors will be taking part in a student leadership conference during week 8 where they will get to learn key leadership skills.

We have the 'World of Maths' incursion happening next week where the students can use their problem solving and critical thinking skills to find solutions to mathematical problems. One of our key priorities this year in Mathematics is to develop student's collaborative problem solving skills.

I have been invited to participate in an Advisory Group for the new Butler North (Planning Name) Secondary school. We met this morning and I will be providing our community with information as to its progress as it comes to hand. The buildings and facility plans are certainly impressive and are expected to be completed by the end of the year. The school will open with Year 7 students in 2020, and will grow with each year (i.e. Year 7 - 2020, Year 7 and Year 8 - 2021 and so on). Ms McNally is very keen to establish a great partnership with the local Primary Schools and is eager for the students and community to have an input into various aspects of the new high school, which is something exciting to look forward to.

This Thursday I attended the Nmero (North Metropolitan Education Regional Office) Briefing, in which our new Director General of the Department of Education, Lisa Rodgers, shared her future directions for education with us. I think that we are heading into quite an exciting time in education and look forward to sharing these directions with you.

Have a great long weekend everyone!

Michelle Wellsteed
Principal

WORLD OF MATHS INCURSION – PAYMENTS NOW OVERDUE

To support our learning in the Mathematics curriculum area, the school has organised an incursion with 'World of Maths'. World of Maths is a hands-on incursion where students work on various activities in small groups and have the time and freedom to pursue the problems themselves. The activities cover all aspects of Mathematical concepts; number, space, measurement, structure and working mathematically. There is a strong emphasis on problem solving which has been identified as a priority target for our students in 2019.

This incursion is for all students in Pre Primary - Year 6. Notes have been sent home in hard copy and attached to a CONNECT notice.

When: Wednesday 6th March and Thursday 7th March

Cost: \$5 per student

Please note that payments were due by the 27th February. Please pay as soon as possible to ensure your student is able to participate.

SCHOOL BATTERY RECYCLING PROGRAM

As part of our Whole School Sustainability Program we will be continuing with our School Battery Recycling Program this year. Batteries are an important example of demonstrating how energy can transform from one form to another with recycling. They can be turned into light poles and other batteries.

Since commencing our battery recycling program during the second half of last year, we collected 4.5 kg of used batteries. Thank you to everyone that sent them in with your children or dropped them into the front office.

We would love for as many people as possible to start bringing in their used batteries again this year.

If we all work together, small changes can make a big difference.

2019 SCHOOL VOLUNTARY CONTRIBUTIONS

A big thank you to those families who have already paid.

This "one-off" payment is voluntary however it will be used to supplement expenditure in the following curriculum areas: Reading resources, maths resources and ICT equipment. Over the course of the school year, the contribution of \$30 equates to 0.75c per week.

Payment can be made directly into the school's bank account (**this is our preferred method of payment**). **Details as follows:**

Account Name: Alkimos Beach Primary School
BSB: 306-182
Account Number: 0085426

Please use your child's name as a reference. If using this method of payment, please ensure that you pay monies into the school account (as above) as we have had a few parents paying money into the P & C account in error.

Alternatively, you can pay by cash or EFTPOS in the office between 8am and 4pm daily.

If you would like to set up a payment plan for 2019 at any time, for any of the fees requested, including incursions/excursions, please call into the office and see me.

Kim Dark

Manager Corporate Services

UP IN LIGHTS

As we begin a brand new school year, we have visited the four specialist classes; Japanese, Music, Sport and Art.

In the Japanese room we visited students of Year 3/4 from Shark Bay 1. The students are learning greetings and manners in the Japanese language. They are doing this so they can master how to say greetings properly. Shark Bay 1 has also been learning the Samurai's Secret Code (Hiragana alphabet). All of the kids from Year 3&4 SB1 love playing games and learning greetings and manners in Japanese. Sensei has also organised an origami class at lunch for Year 5 and 6 students only, there is currently 19 students.

Lots of things have been happening in Music. Year 2 Shark Bay 3 are wanting to learn and understand the speed of music and tempo of the music. They are doing a drama play about a song they've been listening to called Peer Gynt. Mr. Long would also like to add that he is loving teaching the students of Alkimos Beach Primary.

Students in Shark Bay 1 have been busy! They have been drawing a self-portrait of themselves and basing the background off of the Beautiful Oops; they are also linking their art with Japanese by writing their names in Japanese. They've recently started doing paper plate looms, which they have done to improve on how to weave.

Year Two Shark Bay 3 have been learning how to dribble a basketball and how to control it in their Sport sessions. Mr. Mews has been testing the Year 2s dribbling and coordination skills with the basketball. The kids enjoy dribbling the ball and having a lot of free time playing around with them too. Their favourite games are Monster and Bouncing Statues. The kids from SB3 love sport and enjoy playing games with Mr. Mews.

MERIT AWARD WINNERS

FRIDAY 22 FEBRUARY 2019						
RB1	Fletcher & Olivia	HP4	Oliver & Miane	Japanese		Elizabeth and Alicia
RB2	Ichitaro & Summer	SB1	Siarna			
RB3	Julia & Jace	SB2	Oliver	Music		Arya-Lee
RB7	Ivy	SB3	Sunnie			
NR1	Reef & Cailee	SB4	Adele	Phys Ed		Ichitaro & Latrell
NR2	Quin & Jaxon	MI1	Briar & Talia			
HP1	Mila	MI2	Coopa	Art		Indie & Markhael
HP2	Adam	MI3	Alveena & Jaz			
HP3	Mollie	MI4	Amanda	CONGRATULATIONS!!!!!!		

FACTION CAPTAINS & VICE CAPTAINS

ECO WARRIORS

Maddy, Bella

FREE DRESS DAY

A huge thank you to the school community for supporting the Year 6 Fundraiser. We raised a massive \$564.80 from the gold coins collected. Thank you to the P&C for organising the Ice Cone fundraiser. The funds from this will also be donated to the Year 6 students and we will let you know how much was raised in the next newsletter.

SCHOOL PARKING

It is imperative that drivers are aware of the road rules and understand signage around schools to ensure the safety of children, road users and pedestrians in general. Unlawful parking in school areas is a major safety hazard and parking infringement notices may be issued for incorrect, unlawful or dangerous parking.

Tips for Parents

- Observe Parking restrictions (read the signs)
- Stick to the speed limits (40km) at all times
- Be aware – young children can be unpredictable and hard to see!
- Be courteous and responsible
- Use 'Pick Up and Set Down' areas correctly (if provided)
- Always be aware of children
- Walk or cycle to and from school
- Plan your trip so that you arrive earlier
- Stop on the school side so your child does not have to cross the road
- Use the crosswalk services at all times
- Utilise parent's parking bays (where provided)

Common Signs

Parking prohibitions are imposed to regulate and modify parking patterns. Their main function is to ensure that potential vehicle/pedestrian conflicts are minimised.

No Stopping
The most restrictive parking sign. It means that you must not stop at all, even for a moment to pick up or drop off passengers.

No Parking
The sign stops all parking, even for a short time. It is used to stop off or pick up passengers. You must stay within 3 metres of your car at all times.

Parking Signs
Parking signs with specified time limits allow drivers to park their vehicles only within certain time periods.

Bus Zone
You must not stop or park in a bus zone.

SCHOOL VALUES

Throughout the year our students will be embracing the following values within their class/year groups. This is a whole school values program based on The 9 Values for Australian Schooling as below. We encourage you to discuss these values with your child.

VALUES FOR AUSTRALIAN SCHOOLING

Care and Compassion

Care for self and others.

Doing Your Best

Seek to accomplish something worthy and admirable, try hard, pursue excellence

Fair Go

Pursue and protect the common good where all people are treated fairly for a just society

Freedom

Enjoy all the rights and privileges of Australian citizenship free from unnecessary interference or control, and stand up for the rights of others

Honesty and Trustworthiness

Be honest, sincere and seek the truth

Integrity

Act in accordance with principles of moral and ethical conduct, ensure consistency between words and deeds

Respect

Treat others with consideration and regard, respect another person's point of view

Responsibility

Be accountable for one's own actions, resolve differences in constructive, non-violent and peaceful ways, contribute to society and to civic life, take care of the environment

Understanding, Tolerance and Inclusion

Be aware of others and their cultures, accept diversity within a democratic society, being included and including others

CHARACTER IS DESTINY

— George Eliot
